Art Education Australia

The Australian Guild of Realist Artists announces a new annual exhibition for secondary students.

AGRA is a national artists' organisation founded in 1973 to foster and support the tenets of Realist, Traditional, and Representative Art in Australia. One of its stated objectives is to "foster and advance the education of all kinds for Artists and for persons wishing to become Artists and to encourage young Artists".

In 2009 AGRA, in association with Art Education Victoria and Art Education Australia, will host an exhibition for art students who are in years 9 to 12.

Purpose:

To encourage students to excel in their subject and to foster the interest and development of realist art as an important segment of the wider artistic world.

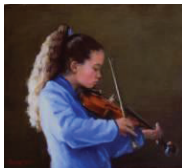

To Enter:

Digital images of work created at school courses to be sent to AGRA in October and November 2008. Details available shortly.

The Exhibition:

Two weeks in February 2009 at the AGRA Galleries in Camberwell, Victoria.

Awards:

- Exhibited artists will receive a certificate of recognition.
- Vouchers for art supplies for winners of a peoples' choice award.
- A special one year Student Membership of AGRA.

Art teachers throughout Australia are urged to encourage their students to enter their work for this important new exhibition which aims to nurture young artists through the display of their work in a professional gallery space.

AGRA is an organisation with very high standards and reputation in the art fraternity. It promotes this exhibition as one of great prestige to developing artists. AGRA supports its artists and assists them to develop and succeed.

Art Education Victoria is the professional association of art teachers in Victoria.

Art Education Australia is the peak body of art educators.
